The report shows that the applicant is a minor, & the paper will not be a printed one, but only "Stencilled" copies will be made and distributed to members of a Student's Union and well-wishers. The paper is called "Litho paper". For purposes of the Newspapers Regulating printing" includes Lithography etc. So it cannot be definitely asserted that the paper is not a "newspaper". The Dy. Com^r. says that he agrees with the D.S.P that "there is no necessity to grant the permission applied for" & that permission may not be given It is for orders if the permission may be declined.
